

HEALTH & SAFETY POLICY STATEMENT

XLCR Engineering Ltd recognises the need to demonstrate efficient and highly responsible Health & Safety disciplines across all operational areas in accordance with BS OHSAS 18001: 2007.

Key policy objectives:

- ✓ Compliance with Health & Safety at Work etc Act 1974.
- ✓ Development of strategy that targets improvement, whilst monitoring performance via periodic management reviews.
- ✓ Control of Health & Safety risks arising from work related activities.
- ✓ Consultation with employees on matters affecting Health & Safety.
- ✓ Maintaining safe plant and equipment.
- ✓ Ensure safe handling and use of substances.
- ✓ Promoting safe and healthy working conditions.
- ✓ Preventing accidents and cases of work related ill health.
- ✓ Ongoing employee Health & Safety Management System (HSMS) training.
- ✓ Quantifying key performance indicators (KPIs).
- ✓ Communicating Health & Safety policy to all stakeholders.
